### Federal Energy Regulatory Commission

[Docket No. CP21-458-000]

### Golden Pass Pipeline, LLC; Notice of Application for Amendment and Establishing Intervention Deadline

Take notice that on June 11, 2021, Golden Pass Pipeline LLC (GPPL), 811 Louisiana Street, Suite 1400, Houston, Texas 77002, filed an application under section 7(c) of the Natural Gas Act (NGA), and Part 157 of the Commission's regulations requesting to amend the authorization granted December 21, 2016 (December 2016 Order) <sup>1</sup> to construct and operate the Section 3 export facilities. The proposed MP 33 Compressor Station Modification Project(project) entails relocation of and modifications to a portion of the facilities approved in the December 2016 Order to enable GPPL to transport domestically sourced natural gas to the export terminal facilities of Golden Pass LNG Terminal LLC (GPLNG). Construction of the export terminal facilities commenced in 2019.

The MP 33 Compressor Station Modification Project or Project consists of the following: (1) relocate the Vidor Compressor Station approximately 50 feet north-northwest to avoid an existing pipeline right-of-way based on a landowner request; (2) increase the authorized compression at the Vidor Compressor Station from 17,994 horsepower (hp) to 37,101 hp; (3) three new interconnects and appurtenant facilities adjacent to the MP 33 Compressor Station; and (4) elimination of receipt facilities at the

existing Texoma delivery interconnect on GPPL's existing system. Golden Pass Pipeline estimates the total cost of the Project to be \$25,521,000.

Golden Pass Pipeline's application states that a water quality certificate under section 401 of the Clean Water Act is required for the project from Louisiana Department of Environmental Quality, Water Quality Division. The request for certification must be submitted to the certifying agency and to the Commission concurrently. Proof of the certifying agency's receipt date must be filed no later than five (5) days after the request is submitted to the certifying agency.

In addition to publishing the full text of this document in the Federal Register, the Commission provides all interested persons an opportunity to view and/or print the contents of this document via the internet through the Commission's Home Page (<http://ferc.gov>) using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. At this time, the Commission has suspended access to the Commission's Public Reference Room, due to the proclamation declaring a National Emergency concerning the Novel Coronavirus Disease (COVID-19), issued by the President on March 13, 2020. For assistance, contact the Federal Energy Regulatory Commission at [FERCOnlineSupport@ferc.gov](mailto:FERCOnlineSupport@ferc.gov) or call toll-free, (886) 208-3676 or TYY, (202) 502-8659.

Any questions regarding the proposed project should be directed to Kevin M. Sweeney, Legal Counsel, Golden Pass Pipeline, LLC, 1717 K Street, NW, Suite 900, Washington, DC 20006, by phone at (202)-609-7709, or by email at [ksweeney@kmsenergylaw.com](mailto:ksweeney@kmsenergylaw.com)

Pursuant to Section 157.9 of the Commission's Rules of Practice and Procedure,<sup>2</sup> within 90 days of this Notice the Commission staff will either: complete its environmental review and place it into the Commission's public record (eLibrary) for this proceeding; or issue a Notice of Schedule for Environmental Review. If a Notice of Schedule for Environmental Review is issued, it will indicate, among other milestones, the anticipated date for the Commission staff's issuance of the final environmental impact statement (FEIS) or environmental assessment (EA) for this proposal. The filing of an EA in the Commission's public record for this proceeding or the issuance of a Notice of Schedule for Environmental Review will serve to notify federal and state agencies of the timing for the completion of all necessary reviews, and the subsequent need to complete all federal authorizations within 90 days of the date of issuance of the Commission staff's FEIS or EA.

### **PUBLIC PARTICIPATION**

There are two ways to become involved in the Commission's review of this project: you can file comments on the project, and you can file a motion to intervene in the proceeding. There is no fee or cost for filing comments or intervening. The deadline for filing a motion to intervene is 5:00 p.m. Eastern Time on **[July 14, 2021]**.

### **Comments**

Any person wishing to comment on the project may do so. Comments may include statements of support or objections to the project as a whole or specific aspects of the project. The more specific your comments, the more useful they will be. To ensure

that your comments are timely and properly recorded, please submit your comments on or before **July 14, 2021**.

There are three methods you can use to submit your comments to the Commission. In all instances, please reference the Project docket number **CP21-458-000** in your submission.

- (1) You may file your comments electronically by using the eComment feature, which is located on the Commission's website at [www.ferc.gov](http://www.ferc.gov) under the link to Documents and Filings. Using eComment is an easy method for interested persons to submit brief, text-only comments on a project;
- (2) You may file your comments electronically by using the eFiling feature, which is located on the Commission's website ([www.ferc.gov](http://www.ferc.gov)) under the link to Documents and Filings. With eFiling, you can provide comments in a variety of formats by attaching them as a file with your submission. New eFiling users must first create an account by clicking on "eRegister." You will be asked to select the type of filing you are making; first select "General" and then select "Comment on a Filing"; or
- (3) You can file a paper copy of your comments by mailing them to the following address below. Your written comments must reference the Project docket number (**CP21-458-000**).

To mail via USPS, use the following address:

Kimberly D. Bose, Secretary

Federal Energy Regulatory Commission

888 First Street NE

Washington, DC 20426

To mail via any other courier, use the following address:

Kimberly D. Bose, Secretary

Federal Energy Regulatory Commission

Rockville, Maryland 20852

The Commission encourages electronic filing of comments (options 1 and 2 above) and has eFiling staff available to assist you at (202) 502-8258 or [FercOnlineSupport@ferc.gov](mailto:FercOnlineSupport@ferc.gov).

Persons who comment on the environmental review of this project will be placed on the Commission's environmental mailing list, and will receive notification when the environmental documents (EA or EIS) are issued for this project and will be notified of meetings associated with the Commission's environmental review process.

The Commission considers all comments received about the project in determining the appropriate action to be taken. **However, the filing of a comment alone will not serve to make the filer a party to the proceeding.** To become a party, you must intervene in the proceeding. For instructions on how to intervene, see below.

### **Interventions**

Any person, which includes individuals, organizations, businesses, municipalities, and other entities,<sup>3</sup> has the option to file a motion to intervene in this proceeding. Only intervenors have the right to request rehearing of Commission orders issued in this

proceeding and to subsequently challenge the Commission's orders in the U.S. Circuit Courts of Appeal.

To intervene, you must submit a motion to intervene to the Commission in accordance with Rule 214 of the Commission's Rules of Practice and Procedure<sup>4</sup> and the regulations under the NGA<sup>5</sup> by the intervention deadline for the project, which is [**July 14, 2021**]. As described further in Rule 214, your motion to intervene must state, to the extent known, your position regarding the proceeding, as well as the your interest in the proceeding. [For an individual, this could include your status as a landowner, ratepayer, resident of an impacted community, or recreationist. You do not need to have property directly impacted by the project in order to intervene.] For more information about motions to intervene, refer to the FERC website at <https://www.ferc.gov/resources/guides/how-to/intervene.asp>.

There are two ways to submit your motion to intervene. In both instances, please reference the Project docket number **CP21-458-000** in your submission.

- (1) You may file your motion to intervene by using the Commission's eFiling feature, which is located on the Commission's website ([www.ferc.gov](http://www.ferc.gov)) under the link to Documents and Filings. New eFiling users must first create an account by clicking on "eRegister." You will be asked to select the type of filing you are making; first select "General" and then select "Intervention." Federal Energy Regulatory Commission  
12225 Wilkins Avenue  
Rockville, Maryland 20852

The Commission encourages electronic filing of motions to intervene (option 1 above) and has eFiling staff available to assist you at (202) 502-8258 or [FercOnlineSupport@ferc.gov](mailto:FercOnlineSupport@ferc.gov).

Motions to intervene must be served on the applicant either by mail or email at: 1717 K Street, NW, Suite 900, Washington, DC 20006 or at [ksweeney@kmsenergylaw.com](mailto:ksweeney@kmsenergylaw.com) . Any subsequent submissions by an intervenor must be served on the applicant and all other parties to the proceeding. Contact information for

parties can be downloaded from the service list at the eService link on FERC Online.

Service can be via email with a link to the document.

All timely, unopposed<sup>6</sup> motions to intervene are automatically granted by operation of Rule 214(c)(1).<sup>7</sup> Motions to intervene that are filed after the intervention deadline are untimely and may be denied. Any late-filed motion to intervene must show good cause for being late and must explain why the time limitation should be waived and provide justification by reference to factors set forth in Rule 214(d) of the Commission's Rules and Regulations.<sup>8</sup> A person obtaining party status will be placed on the service list maintained by the Secretary of the Commission and will receive copies (paper or electronic) of all documents filed by the applicant and by all other parties.

### **TRACKING THE PROCEEDING**

Throughout the proceeding, additional information about the project will be available from the Commission's Office of External Affairs, at **(866) 208-FERC**, or on the FERC website at [www.ferc.gov](http://www.ferc.gov) using the "eLibrary" link as described above. The eLibrary link also provides access to the texts of all formal documents issued by the Commission, such as orders, notices, and rulemakings.

In addition, the Commission offers a free service called eSubscription which allows you to keep track of all formal issuances and submittals in specific dockets. This can reduce the amount of time you spend researching proceedings by automatically providing you with notification of these filings, document summaries, and direct links to
